1973 Yılında kurulan Tom Flaş Avize İğne Makine Kalıp San. konusundaki deneyimi, üstün teknolojisi ve yüksek üretim kapasitesiyle Avrupa standartlarında üretilen zengin iğne çeşitlerimizi siz tüketicilerin zevk ve beğenisine sunmaktadır.

Tom Flaş, the chandelier clips industry which was established in 1973, presents its rich variety of clips that are produced in European standards with its experience, high technology and high producing capacity to consumer's taste.

Die im Jahre 1973 gegründete Tom Flaş Kornleuchter Nadel Maschinen Formenbauindustrie bietet ihr mit weitreichender Erfahrung, modernster Technologie und in europäischen Standards mit hoher Produktionskapazität hergestelltes reichhaltiges Nadelangebot zum Gefallen ihrer Kunden an.

ÜRETİM ve SATIŞ BİLGİLERİ

Üretimini yaptığımız mamüllerimizin ana maddesi pirinçdir. Sarı mamüllerimizin, üzerlerine kromik (chromic) kaplı olarak ve 1'er kg.lık ambalajlarda satılmaktadır. Özel istek veya siparişlere göre mamüllerin nikel, bakır oksit, antik sarı ve 24 ayar altın ile kaplayabilmekteyiz. Mamüllerimizi kaliteli ve en kısa zamanda teslim etmek başlıca görevimizdir.

MANUFACTURE AND SALES INFORMATION

Our products are based on brass as the principle material; our brass products are available as chromium-plated and supplied in 1 kg. packages. Upon request or special orders nickel, copper oxide, archaic brass or 24 carat gold plated products are also available. We commit to supply high-quality products with prompt deliveries.

PRODUKTIONS- UND VERKAUFS-INFO

Unsere Produkte haben Messing als Grundstoff. Die verchromten Messingprodukte werden in 1 kg Verpackungen angeboten. Je nach Sonderwunsch und -bestellung sind unsere Produkte auch mit Nickel-, Kupferoxid-, Antikgelb- oder 24 Karat Goldüberzug erhältlich. Wir sehen es als unsere Hauptaufgabe an, unsere Produkte in höchster Qualität und in kürzester Zeit zu liefern.
